

# BALLET CLASSES WITH REBECCA SHELTON

In keeping with our annual National Dance Week awareness, we are having a master ballet class opportunity in early April - both a ballet technique class AND a repertory class in which dancers will learn original choreography from a famous ballet. All Wednesday intermediate and advanced level dancers are welcome. Please take advantage of this opportunity so we may continue to seek out and provide additional experiences for the dancers. This is a very affordable event which will enhance the girls' dance experience.

REBECCA SHELTON has studied at area ballet schools including Acton School of Ballet, Middlesex Ballet Academy, Academy of Ballet Arts, and Ballet Workshop of New England. She danced with the Orlando Ballet under Fernando Bujones, possibly the greatest American male ballet dancer of the 70s and 80s, and former partner of Cynthia Gregory. Rebecca has attended American Academy of Ballet, the Boston Ballet, and the Kirov Academy of Ballet in DC among other intensives. We welcome Rebecca to Dance Expressions Unlimited as she shares her technical insight and teaches professional repertory.
