The Creative Arts Program is a FUN arts enrichment program and introduction to music and dance for children age 2 to 5.

The **CREATIVE ARTS PROGRAM** provides an introduction to dance, creative movement, music, and the arts for youngsters aged 2 to 5. The daily schedule includes a music class, dance class, and an art project. We use the Creative Movement Curriculum developed by Audrey Dascomb RDE – created for dance studios, elementary schools, enrichment centers, and daycares. We are committed to providing a stimulating, adventurous, unique, and FUN environment to enhance children's social, emotional, physical, and intellectual growth. First and foremost, we offer a fun introduction to dance and the arts that nurtures, enhances, and encourages creativity, imagination, progress and development in EACH child.
